We're Not Your Typical Dentist's Office

Your comfort is just as important to us as quality oral care.

When you arrive at our office in Austin, TX, the first thing you'll see is our butterfly garden, brimming with native flora. Once inside, you'll be greeted by our friendly staff. Coffee? Water? Perhaps a blanket while you surf our guest wifi?

We've got you covered.

Beyond the cozy atmosphere, our office is equipped with the latest dental technology available. Dr. Graves has invested in countless hours of continuing education and state-of-the-art equipment so she can provide the best dental work possible. That means:

- Early detection of health issues
- Less time in our office
- A seriously gentle touch

Every aspect of our practice—from our flexible scheduling options, to the quality of our dental work—is focused on delivering the best patient experience possible.

Customized Care That'll Leave You Smiling

Our aim is to educate and provide options that put you in control of your oral health. We'll help you, just like we'd help our own families. Whether it's explaining the nuances of dental insurance or developing a personalized treatment plan, we're here for you.
